April 2008

This year we plan to continue our "Summer Reading Tradition." We believe that it is very important that young children pursue reading as an everyday pastime, enjoying books and other reading material on a regular basis. The books we offer as summer reading choices are not ones that your child is expected to read independently. These choices are for parent and child to enjoy together!

For your convenience and savings, we are ordering the books this spring and will send those you have ordered home with your child during the last week of school. Read about the selections with your child, make your choices together and please return the order form with your payment by April 28, 2008. (Checks made out to Country Day School)
