April 2008

For many years, Country Day School has required summer reading for all of its new and returning students. This summer we will continue our “reading tradition.” Each Lower School student is offered a list of several, varied books. For third grade next year, each student should make <u>three</u> choices with your guidance and approval.

For your convenience, we will be ordering the books this spring and will send those you have ordered home with your child during the last week of school.

Please take a moment and read about each selection with your child, make the choices together, and return the order form with your payment <u>on or before April 28, 2008.</u> All checks should be made out to Country Day School. If you choose not to order, please indicate below so that we know you have received this announcement.
