ART: One soft 'drawing" pencil - #3B to #6B; one kneaded gray eraser, one pink pearl eraser, one fine waterproof drafting pen (Sakura pigment #5 is best; Pilot rolling ball is fine), as well as basic home, art supplies. Pencils, erasers and pens should be unmarked as they are pooled for class supplies. A 6"x 9" Art Sketchbook (available at School store) **is optional**.

BAND: Band instrument and "**Essential Elements, Book I, 2000**"

Optional:

- 1. Vox Spanish & English Dictionary. (Available in School Store)
- 2. Stapler and staples (full sized model works best)
- 3. 1 container of Lysol wipes

Notes:

- 1. At the 6th grade level, a great deal of dictionary work is done. An **Intermediate level** home dictionary is essential. (Avoid "pocket" editions)
- 2. Supplies do run out and will need to be replaced. Students will need to have all items listed available throughout the year.

Extra or unnecessary "stuff" interferes with the student's ability to organize efficiently. Rule of thumb: if it's not on the Supply List, your child doesn't need it!
